

**SCHLOSS JOHANNISBERG RIESLING
RHEINGAU PURPURLACK
BEERENAUSLESE 2018**

This has a really incredible smell! Nectar of apricots, mangoes and peaches, so clean and so pure, explodes out the glass. The concentration is staggering with such purity and smooth delivery and a seamless turn of sugar to refreshing acidity. The flavors of intense apricots and yellow nectarines carry so so long. Every aspect is perfectly balanced. Golden elixir, so so pure! Drink over decades.
